

UKPIN2017

PUTTING PID FIRST

7-8 December 2017 • The Grand, Brighton

UK  PIN
CONFERENCE

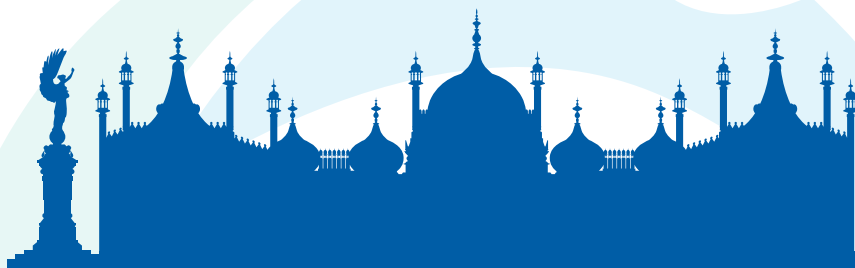

Platinum partners

CSL Behring
Biotherapies for Life™

 **Shire**

Bronze partner

 **Biotest**

Thursday 7 December 2017

08:00-09:30 **Registration and refreshments** The Dome

Plenary session – joint UKPIN and BSI session

UKPIN British Society for immunology

09:15-09:30 **Welcome**
President, BSI and President UKPIN

09:30-10:30 **Learning from immunodeficiencies and novel therapeutics in human disease**

Chair: Dr Kimberly Gilmour, Great Ormond Street Hospital
Chair: Dr Sofia Grigoriadou, Barts Health NHS Trust

Gene therapy for primary immunodeficiencies

Dr Claire Booth, University College London

Title TBC

Dr Anne Puel, Imagine, Institute of genetic diseases

Title TBC

Dr Stephen Holland, National Institute of Allergy and Infectious Diseases

Title TBC

Dr Helen Lachmann, University College London

Title TBC

Professor John Wagstaff, University of Swansea

10:30-11:00 **Refreshments** The Dome

11:00-12:30 **Plenary session continued – joint UKPIN and BSI session** The Dome UKPIN British Society for immunology

12:30-13:45 **Lunch, exhibition and poster viewing** The Grand
Delegates to make their own way from The Dome to The Grand (10-15 minutes walk)

13:15-13:45 **Shire drop-in sessions** – Shire Immunoglobulin administration/infusion training session

UKPIN2017

PUTTING PID FIRST

7-8 December 2017 • The Grand, Brighton

Parallel sessions 1 The Grand (delegates can also attend BSI sessions at The Brighton Centre next door)

13:45-15:30

Regulation of the immune system response in support of hemopoietic progenitor cell and solid organ transplantation – joint session with BSI

Chairs: Luke Foster & Dr Andrew Gennery, Newcastle University

- **Optimising the use regulatory T cells to promote transplantation tolerance**
Professor Giovanna Lombardi, King's College London
- **Title TBC**
Dr Effie Petersdorf, University of Washington, USA
- **New developments in hematopoietic progenitor cell transplantation for the treatment of primary immunodeficiency**
Professor Paul Veys, Great Ormond Street Hospital for Children
- **Regulatory T cell therapy in living donor kidney transplantation – update on the UK ONE study phase 1/2a trial**
- Professor Kathryn Wood, University of Oxford

UK  PIN British Society for immunology 

Novel insights in PID and genetics – joint session with BSI

Chairs: Dr Dawn Barge, Royal Victoria Infirmary & TBC

- **Title TBC**
Professor Sophie Hambleton, Newcastle University
- **Title TBC**
Dr Ebum Omoyinmi, University College London
- **Title TBC**
Professor Holm Uhlig, University of Oxford
- **Newborn screening: related investigations**
Professor Bobby Gaspar, Great Ormond Street Hospital
- **Presentation of best submitted abstracts**

UK  PIN British Society for immunology 

Nurse led clinics

Chair: Christine Symons, Plymouth Hospitals NHS Trust

- **An introduction to nurse-led clinics: definition**
Christine Symons, Plymouth Hospitals NHS Trust
- **Chronic spontaneous urticaria and omalizumab**
Alison Donnelly, Belfast Health and Social Care Trust
- **Venom desensitisation**
John Dixon, Plymouth Hospitals NHS Trust
- **Bronchiectasis telephone follow-up**
Karen Henderson, Papworth Hospital NHS Foundation
- **Trust Immunoglobulin Panel: the nurse's role**
Andrew Symes, Royal Free London NHS Foundation Trust

15:30-16:00

Refreshments, exhibition and poster viewing The Grand

15:30-16:00

Shire drop-in sessions – Shire Immunoglobulin administration/infusion training session

Parallel sessions 1 cont. The Grand (delegates can also attend BSI sessions at The Brighton Centre next door)

16:00-17:30

Parallel sessions 1 continue

Parallel sessions 1 continue

Parallel sessions 1 continue

17:30

Close of day one

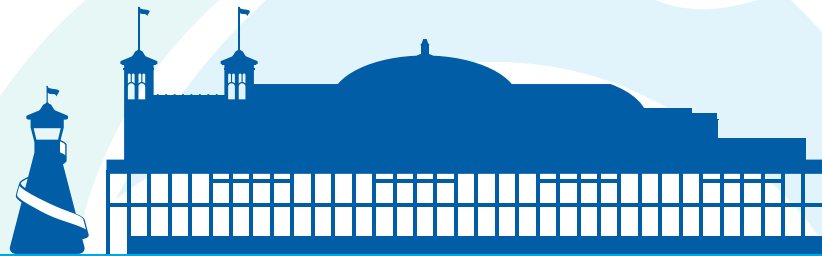

19:30

Conference dinner The Grand
Pre-booked tickets only.

UKPIN2017

PUTTING PID FIRST

7-8 December 2017 • The Grand, Brighton

Friday 8 December 2017

Full day held at The Grand

07:45-08:30 **Registration, refreshments and exhibition**

07:45-08:15 **Shire drop-in sessions** – Shire Immunoglobulin administration/infusion training session

Parallel sessions 2

08:30-10:00

Lung Granulomatous Disease

Chair: Dr William Egner, Sheffield Teaching Hospitals NHS Foundation Trust

- **GLILD: consensus and controversy**
Professor Alison Condliffe, University of Sheffield
- **GLILD: Imaging, monitoring and differential diagnosis**
Dr Jamanda Haddock, UCC
- **Use of PET-CT in monitoring of GLILD: case report**
Dr Tariq El-Shanawany, University Hospital of Wales

Laboratory workshops

Chair: Dr D.S. Kumararatne, Addenbrook's Hospital

- **Th17 cells: Establishing robust assay and reviewing clinical utility in the diagnostic lab**
Fariba Tahami, Great Ormond Street Hospital NHS Trust
- **Indications and interpretation of functional/TLR-cytokine assays**
Dr Rainer Doffinger, Cambridge University Hospitals NHS Foundation
- **100,00 GECP update**
Professor Sophie Hambleton, Newcastle University

QPIDS - Wake up to accreditation

Chair: Dr Claire Buthune, Plymouth Hospitals NHS Trust

Speakers:

- Debbie Johnston, Head assessor, Royal College of Physicians Accreditation Unit
- Dr Claire Buthane, QPIDS clinical lead

10:00-10:45 **Refreshments, exhibition and attended poster session**

10:00-10:45 **Shire drop-in sessions** – Shire Immunoglobulin administration/infusion training session

Plenary session

10:45-11:10

Highlights from ESID

Dr Andrew Gennery, Newcastle University

11:10-11:50

Great Debate – There is no place for HSCT in genetically undefined adult PID

Professor Ronjon Chakraverty, University College London.

Dr Siobhan Burns, University College London

11:50-12:30

Annual General Meeting

12:30-13:30

Lunch, exhibition and poster viewing

13:00-13:30

Shire drop-in sessions – Shire Immunoglobulin administration/infusion training session

UKPIN2017

PUTTING PID FIRST

7-8 December 2017 • The Grand, Brighton

Plenary session

13:30-14:30

Transitioning to adult care

Chair: Dr Matthew Buckland, Royal Free London NHS Foundation Trust

Psycho-social aspects of transitioning to adult care

Mari Campbell, Royal Free London NHS Foundation Trust

Transitional Care for young adults with immune deficiency

Dr Helen Baxendale, Papworth Hospital NHS Foundation Trust

14:30-15:00

Coffee, exhibition and poster viewing

14:30-15:00

Shire drop-in sessions – Shire Immunoglobulin administration/infusion training session

Plenary session

New diseases and hot topics

Chair: Dr David Edgar, Belfast Health & Social Care Trust

15:00-15:15

Selected Abstract – clinical case

15:15-15:30

Selected Abstract – clinical case

15:30-16:00

New diseases and management – ADA2

Professor Paul Brogan, UCL Institute of Child Health, and Great Ormond Street Hospital NHS Foundation Trust

16:00-16:05

Closing comments by the President

16:05

Close of conference
